**Personal Development Coach**

**204-878-0262**

# *“Empowered individual = Empowered employee = Empowered business = Empowered community”*

## *Ready-Set-Work*

### **PREPARE TO MEET YOUR JOB-MATCH.**

Ready-set-work is a series of workshops designed to give you the tools and confidence to find the job you are seeking. The workshops are highly interactive.

You will acquire a work-ready attitude and recognize what you have to offer. You will learn different methods of job search and prepare for the nerve shattering interview. Cold calling and interview role play are included in the series of sessions. Confidence is key to getting hired.

### **THINK BIG!**

These “playsshops” will help you to pick up an attitude for success! Become a more positive thinker and think yourself to success. Shed the mind toxins which are holding you back. Get a grip on your fears!

## *Attitude for Success*

Look at how your thoughts can move you towards making your dreams your reality. Learn to create balance in your life and so much more!

## *Let's Talk*

### **HEALTHY COMMUNICATION**

Is essential to success in every area of our lives..These workshops will give you the tools to better harmony in communication. The sessions encourage you to

look at your individual ways of communicating, dealing with anger, handling stress and how to get along with difficult people including co workers and employers. Learn to become more assertive to get what you need to succeed. Lets Talk is a fun set of workshops to help you learn effective and more positive communication .

## *Joy of Work*

### **MAKE WORK PLAY**

What does your dream workplace look like? Learn how to deal with employment stress and make the most of each day at your job. Explore ways of dealing with difficult coworkers and employers and take on a

positive work attitude. Finding joy in our work is essential as we spend more than half of the hours we are awake at our jobs!

## *What's Right With Me.*

### **BELIEVE IN YOUR ABILITIES**

Take a close look at the labels you hold on to which could be holding you back from achieving your dreams. Take a look at how your skills and talents can be used to achieve personal and professional success. These fun and interactive workshops will help you recognize your potential and boost your confidence.
